The image shows a mobile application interface for viewing offers. At the top, there's a header with the word 'offers' in a stylized font. Below it, the title 'Radman's offer' is displayed in a large, white, sans-serif font. Underneath the title, there are three items listed: 'Radman's offer' with a price of '15000 TL' and location 'Mayfest Area', 'Mohammed's offer', and 'Güneş's offer'. Each item has a 'view' button next to it. At the bottom of the screen, there are three 'view inventory' buttons and a large red 'Accept offer' button.

The image shows a game interface with a grid of items for sale. A large red shield with the text "BILOPOLY" is centered over the grid. A search bar at the top left contains the text "Water Service". A red arrow points to a "GO" button at the bottom right. The grid includes various items with their respective costs in TL (Turkish Lira):
